CALL FOR DESIGNS

K106—Special effects:

making the most of your knits with surface design

Add extra dimension—through cables or slipstitches.

I-cord—Passementerie trims, ties, or borders.

Embroidery—add color and interest with duplicate stitch or decorative stitching.

Beads—knit-in or sewn on for added glitz.

Inks and dyes—stencil, paint, or spritz.

Woven looks—stitch designs or maybe added yarns woven through dropped, slipped, or purl stitches.

Appliqué and trompe l'oeil—3-D effects.

Other ideas? Working on something that you love and think might work for *Knitter's*, even though it doesn't fit within the theme...send it. We love great ideas.

Submissions due: December 10th (earlier is even better)

Projects due: January 16, 2012

Please send sketch, swatch, and bio.
