

Module Magic

Creative projects to knit one block at a time

Corrections & Clarifications

First Printing 2004

Page 21

Square 30 *Second sentence should read:*
“beginning of next 3 (5, 7) WS rows, bind off 4 (3, 3)”

Page 54

Where the correction is found.
Correction text.

Page 55

Small chart at the bottom labeled “Module Size”

Under Size S the diagonal measurement should be 3 1/2”, not 13 1/2”.

Schematics have boxes next to numbers that shouldn't be there.

Page 70

2-SQUARE MODULE

4th line needs to read as follows.

Cable cast on 13 sts—50 sts.

The “until 2 sts remain” needs to be eliminated.

Page 102

Row 7 *Should read:*

“With B, k1, M1, k1, *sl 1, k1; repeat from * until 3 sts remain, k2tog, k1.”

Page 110 Miter 2

Line before Next WS row should read:
...next 3 rows, with no decreases in 4th row, until 7 sts remain.

Shoulder shaping

Short Rows 7, 8 should read:

K14 (16, 18), turn, knit to end.

Second Printing 2006

Page 55

Schematics have small squares next to numbers. This is a PDF thing.

Same page, all body text from “Notes” thru “Rows 5, 6” instructions needs to be replaced with the following text:

Dec row Knit, spacing 9 (10, 11, 13) k2tog decreases evenly—90 (98, 106, 112) sts.

Knit 3 rows.

Dec row Knit, spacing 9 (10, 11, 13) k2tog decreases evenly—81 (88, 95, 99) sts.

Next row Knit.

Bind off and sew right shoulder seam.

SLEEVE BANDS

With smaller needle and MC, pick up 54 (58, 62, 68) sts around sleeve edge.

Knit 13 rows.

Bind off.

FINISHING

Block Front and Back sections to desired dimensions. Sew side seams and sew in ends. With MC, work 1 row single crochet (sc) around the bottom edge of sweater, working 2 sc in each lower point and 1 dec in each inner point.
