There was much confusion in trying to work this pattern. We apologize for the lack of clarity in the pattern as it appeared in the magazine. It is such a beautiful design, that one shouldn't need to struggle through the instructions.

To assist in making things clearer here is a better approach.

Of note is the addition of a set up row in the yoke, the division of sleeve stitches from body stitches are placed on a wrong side row instead of a RS row (where the stitch work is less demanding). Which follows, that the sleeve pick up and set up are also different than the original pattern. This is truly an easier approach to the piece and will provide the same results.

Jackets are knit from the top down. A temporary cast-on allows the knitter to block the jacket before working the neck band.

In the edging lace motif, the k7tog through the back loop is easy to achieve using a crochet hook as follows: insert crochet hook into back of the the next 7 stitches from right to left, yarn over hook and pull through all 7 stitches, place loop on right needle.

Instructions are given for both jackets together. Please be sure to note the row numbers for your chosen length of jacket.

Bind off loosely and in pattern.

RIB A MULTIPLE OF 3 + 2
WS rows **[P2, k1]** p2.
RS rows **[K2, p1]** k2.

RIB B MULTIPLE OF 2 + 1
WS rows P2, **[k1 p1]** to last stitch, p1.
RS rows K2, **[p1, k1]** to last stitch, k1.

Sleeve
Sleeves are worked in the round with RS facing.
Right Sleeve
Join yarn at right front underarm, and with RS facing, pick up and knit (PUK)19 stitches from underarm cast on as follows: **[PUK3, loop cast on 1]** 4 times, PUK3; work from holder as follows: K**9** (1, **9**, 1), **[p2, k15] 2** (3, **4**, 5) times, p2, k**4** (12, **4**, 12) then work along stitches just picked up as follows: K**11** (3, **11**, 3), p2. Place marker (pm) for beginning of round—**68** (85, **102**, 119) stitches. Place marker for beginning of round and join.
Work Chart E in rounds; working stitches in even numbered rounds as they present themselves and knit yo's. Work Rounds 1–20 of Chart E 5 times, or until desired Sleeve length. Bind off on Row 20. Block.
Left Sleeve
Join yarn at left back underarm, and with RS facing, (PUK)19 stitches from underarm cast on as follows: **[PUK3, loop cast on 1]** 4 times, PUK3; work from holder as follows: K4, **[p2, k15] 2** (3, **4**, 5) times, p2 k**9** (1, **9**, 1); then work along stitches just picked up as follows: K**6** (14, **6**, 14), p2. Pm for beginning of round.
Work Chart E as for Right Sleeve.
